

SLOAN LONGWAY

Sloan Museum, Longway Planetarium & Buick Automotive Gallery

2011-2012 CUB SCOUT WORKSHOPS AND CAMP-INS

GENERAL INFORMATION

- All workshops at Sloan Museum include museum admission. Leaders may want to schedule time to explore the museum on their own after their workshop.
- In order to ensure a quality experience for all participants, we request that no siblings or infants accompany the participant.
- Space is limited. Registration is based on first-come, first served.
- Fees are due at least 2 weeks prior to the event date, however some dates fill up quickly. Early registration is recommended.
- Fees are non-refundable.
- A small snack will be provided during the workshops. Evening snack and breakfast are provided during the camp-ins.
- All workshop/camp-in participants receive a certificate of completion. Leaders are responsible for obtaining the actual award from their local council office.
- Workshops are \$9.00 per person, camp-ins are \$25.00 per scout and \$10.00 per adult chaperone. Fun nights are \$15 per scout and \$6 per adult chaperone.
- More information regarding camp-ins will be sent with your confirmation.
- If you have any questions, please call 810.237.3409.

CUB SCOUT WORKSHOPS

Astronomy

Longway Planetarium
November 5, 2011,
March 10 & April 14, 2012
9:00am – 12:00pm

This 3 hour workshop will help Cub Scouts fulfill some requirements for their Astronomy Belt Loop and Academics Pin. Activities include creating a model of the Solar System, learning about constellations, a star show, and more.

Map and Compass

Sloan Museum
November 12 & December 3, 2011
1:00 – 3:30pm

Cub Scouts are invited to explore maps, compasses, and Sloan Museum while participating in activities that will help them earn their Maps and Compass Belt Loop and Academics Pin. Boys will make a magnetic compass to take home, create their own map, and other hands-on mapping activities.

Dinosaurs!

Sloan Museum
April 21, 2012, 1:00 – 3:30pm

Take a walk through Sloan Museum's Discover Dinosaur exhibit with a Dino-docent while learning about predators and prey in the Dino-world. Explore physical adaptations that helped predators capture their prey and prey animals escape while designing your own dinosaur model.

CUB SCOUT CAMP-IN

Fun Night

Sloan Museum
November 18, 2011
5:00pm – 9:00am

This camp-in experience is not designed to complete an activity badge, but a chance to have fun, make new friends, and explore all of our exhibits, including Sloan's newest traveling exhibit; *Robots!* Leaders will guide their scouts through activity stations located throughout the museum.

Cub Scout Fun Night

Sloan Museum
March 2, 2012
5:00 – 9:00pm

Hang out with the dinosaurs after dark! Explore the museum and visit activity and project stations located throughout the museum. Make a fossil model and start a rock collection, along with other fun stations. This fun night is not designed to complete badge requirements

WEBELO CAMP-INS

Weather

Longway Planetarium
January 20, 2012, 5:00pm – 9:00am

Participate in hands-on activities that will help Webelo Scouts fulfill requirements towards their Weather Belt Loop and Academics Pin. Scouts will investigate clouds, the water cycle, dangerous weather conditions, rainbows, and construct a weather instrument.

Weather

Sloan Museum

February 24, 2012, 5:00pm – 9:00am

Participate in hands-on activities that will help Webelo Scouts fulfill requirements towards their Weather Belt Loop and Academics Pin. Scouts will investigate clouds, the water cycle, dangerous weather conditions, rainbows, and construct a weather instrument.

Geologist

Sloan Museum

February 3, 2012, 5:00pm – 9:00 am

Participate in hands-on activities that will help Webelo Scouts fulfill requirements towards their Geologist badge in the Outdoor Activity Group. Boys will discover what our Earth is made of while examining different rocks and minerals and how they are used. Campers will also investigate mountains and volcanoes, mix cement, and take a collection of rock and fossil specimens home.

Engineering

Sloan Museum

February 10, 2012, 5:00pm – 9:00am

Webelos Scouts are invited to spend an exciting night at Sloan Museum while working on their Engineering Badge in the Technology Activity Group. Boys will discover how things work while doing hands-on engineering projects like building a bridge, constructing electrical circuits, and investigating block and tackle systems.

Please completely fill in the Registration Form and send along with full payment to the address at the bottom. Payment must be received at least two weeks prior to the event. Register early. Space is limited and some dates may fill up quickly.
