

The Trailblazer Adventure Program was developed by the U.S. Sportsmen's Alliance Foundation. The organization was established in 1978 to protect and defend America's wildlife conservation programs and the pursuits — hunting, fishing and trapping — that help pay for them. The Foundation is responsible for public education, legal defense and research. Contributions to the U.S. Sportsmen's Alliance Foundation, a 501(C)3 organization, are tax deductible. INVOLVING YOUTH AND
FAMILIES IN THE OUTDOORS

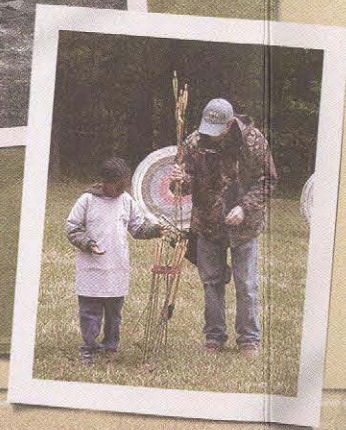

BE A PART OF THE ADVENTURE

Rugged self-reliance. A love of the great outdoors. And a healthy sense of adventure. For generations, these traits have helped define American character. And thanks to the Trailblazer Adventure Program, the pioneering spirit lives on. Trailblazer gives today's youth an opportunity they might otherwise miss: the chance to experience the wonders of nature firsthand, with expert guidance from experienced sportsmen.

Trailblazer programs introduce kids to a new world of outdoor adventure.

Usually hosted at a Boy Scout camp or similar facility, Trailblazer Adventure Day features a variety of activities, demonstrations and orientation sessions designed to show kids and their parents what the outdoor lifestyle is all about. All activities are conducted under the supervision of experienced Trail Guides, with the utmost emphasis on safety.

THE TRAILMASTER PROGRAM

Youngsters who successfully complete Trailblazer Adventure Day can continue to learn about outdoor pursuits through the Trailmaster Program. It's fun, educational, and a great way to spend quality time together.

Trailmaster Program activities typically include:
