DISTRICT HEALTH & SAFETY CHECK

This is a District Event. All D-bar-A and BSA safety rules will be strictly enforced.

Every adult leader is responsible for the health & safety of the scouts within his/her unit. Each unit should bring a properly equipped first aid kit.

The unit leader is responsible for having a complete medical form on **every person attending**. A "Complete" medical form consists of Part A & B of the Annual Health and Medical Record and can be found on GLC website at

<http://www.scouting.org/filestore/HealthSafety/pdf/whole.pdf>

All medical forms and the unit's first aid kit will be inspected at the event check-in on Friday night.

Throughout the weekend, District Health & Safety Officers will be patrolling the area. If anyone is found to be not properly dressed for winter activities, they will be sent to their cabin and the Cubmaster/Committee Chair will be notified. Proper dress includes, but not limited to: Hat, Gloves/Mittens, Warm Coat and Boots. Snow pants & scarves would be a good idea also.

Incidents requiring first aid should be treated by the unit first. If further assistance is required, seek help from the staff. A first aid station will be set up at the Jack Lord Cabin as well as qualified first aiders patrolling the area.

There is ABSOLUTELY NO BOATING OR SWIMMING for the entire weekend.

!!! TWO DEEP LEADERSHIP MUST BE MAINTAINED AT ALL TIMES !!!

CHECK-IN

Upon arrival at D-bar-A on Friday, the Pack leader must go to the Martin Administration Building to check-in. The Pack leader must pay any remaining balance, provide one copy of the Pack's attendance roster and set a time for cabin check-out on Sunday.

After the unit has been checked in at the Martin Building, the Pack Leader must check-in for the event. Check-in location will be at Jack Lord Cabin. A checklist is included in this packet for your convenience.
